Campus Description:

Stony Brook University, one of four research intensive campuses within the State University of New York (SUNY) system, is widely regarded as its flagship. The University embraces its mission to provide comprehensive undergraduate, graduate and professional education of the highest quality, and its rankings bear that out. It's included among the top 1% of universities in the world by the 2018 QS World University Rankings and among the top 40 public universities by U.S.News & World Report's 2020 Best Colleges rankings. It is a member of the prestigious Association of American Universities, composed of the top 62 research institutions in North America. As Long Island's largest single site employer, Stony Brook has nearly 15,000 full- and part time employees, including more than 2,700 faculty. It enrolled roughly 26,800 students in fall 2019 — 17,900 undergraduate students and 8,900 graduate students — and offers more than 200 majors, minors and combined-degree programs. The Department of Athletics supports 18 Division I varsity intercollegiate athletic programs that compete at the highest level within the NCAA. Located approximately 60 miles east of Manhattan on Long Island's beautiful North Shore, Stony Brook is situated on 1,454 wooded acres, encompassing 13 schools and colleges; a Research and Development Park; world-class athletics facilities, including an 8,300-seat stadium and a 4,000-seat arena; and Stony Brook Medicine, Long Island's premier academic medical center. Also part of the University is a teaching and research campus in Southampton, New York, which offers graduate arts programs and is the site of the Marine Sciences Center. In addition, Stony Brook has a role in running, and performs joint research with, Brookhaven National Laboratory, the only Department of Energy Laboratory in the Northeast. Home to the Emerson String Quartet, the Pollock Krasner House in East Hampton, NY, and the Humanities Institute, with endeavors that extend to the Turkana Basin Institute in Kenya and the Ranomafana National Park in Madagascar, Stony Brook sustains an international reputation that cuts across the arts, humanities, social sciences and natural sciences.
